Romantic Classic Professional

The Natural Wing Resort is perfectly located between the tropical hill and white sandy, several kilometers long beach only 2 minutes from the resort. The emerald green sea invites you for a swim and its clearness lets you see colorful fish and various species of coral to your heart content. (On the horizon you can see the island of Koh Pha-Eng where its famous FULLMOON PARTY is held) See the sun rises and sets over the island, a memoir you will treasure for ever. All the above descriptions may appear surreal. We invite you to come and experience the real paradise by yourself...

全身オイルマッサージ

アロマオイルで全身のマッサージを行います。アロマオイルは香りによるリラックス効果もあり、香りによって効能が異なります。また、日焼けした肌にも潤いを与え、みずみずしい肌を取り戻すことができます。アロマオイルはお好きな香りをお選びいただけます。

OIL MASSAGE

This is peaceful and relaxing for your body and soul. Many ailments are caused by an imbalance within the body. Stimulating the muscles will open energy pathway and, as a result, improves blood circulation. The oil that is used has been specifically designed to give new energy to skin that has been exposed to sun and salt-water.

FOOT MASSAGE-REFLEXOLOGY

Acupressure is to stimulate the reflex zones to the different functions in the body. The impulses are sent through the nervous system and removes energy blocks in the system. This stabilizes the functions of the organ and improves the bloodstreams.

フットマッサージ

足の裏には身体の全てに通じる大切なツボがたくさんあります。そのツボを指圧することで、内臓の働きを助け体調を整えることができます。

ALOE VERA BODY WRAP

Minimize skin irritations and allergies caused by sunburn. Maintain your natural moisture balance. Keep your skin firm, soft and smooth while preventing drying and wrinkling.

アロエヴェラ・ラップ

天然のアロエヴェラを使い全身をやさしくマッサージした後、シートで包み、成分がお肌の回復を促すまで 20~30 分そのまま放置いたします。アロエヴェララップは日焼けによるダメージをすばやく回復させ、お肌の水分を自然のバランスに戻す効果があります。また、お肌の張りを保ち、柔らかく滑らかに整え、乾燥や小ジワなどのトラブルから守ります。

FACE MASSAGE

You can immediately feel your face softer, smoother, relax, and refresh without any drying effect. We offer Thai Herbs as well as Kanebo from Japan to choose from.

美顔フェイスエステマッサージ

繰り返しマッサージすることにより、肌に蓄積された角質を取り除き、明るく艶のある潤った肌を取り戻します。日本製の化粧品を使ったマッサージか、またはタイ産ハーブを使ったタイならではのマッサージの2種類のうちお好みのタイプをお選びください。タイ産ハーブは、清潔で張りのある肌を取り戻す効果があります。またお肌の弱い方でも安心してご利用いただけます。フェイシャルマッサージは、クレンジングの後、マッサージ、スチーム、吸引、パックの順に行います。

Handmade JEWELRY

"SUKHOTHAI" (SRISACHANALAI)

The Sukhothai period, more than 700 years ago was plentiful in everything especially in agriculture. A Thai proverb and the most important traditional Royal Family art was handmade gold jewelry in the place. Those designs were exquisitely beautiful and marvelous for the beholder. The original jewelries were discovered kept in the earthen jars underground in the Sukhothai province, as recent 8 years ago.

By the own creation with some modification to suit the present taste. These beautiful designs still exist and very much alive. To ensure the excellent quality, 99.99% pure gold was used. Each piece is handcrafted as close to the original as possible. Nothing is spared and nothing escaped in designing and crafting to your highest expectation and satisfaction.

THIS IS THE AUTHENTIC IDENTIFICATION OF THE BRAND
"DESIGN BY Khun Noi....."
